Cary,

The phone number for the Reg. Agent (Mr. Daniels in Houston) is:

713.626.0215

Please use this number, since it helps FedEx make the delivery.

Dear Janice,

I am entering the address for the mailing, and I have noticed that we do not have a telephone number for the receiving agent. If you do not have a number we can use a number here as we have done in the past if you want.

Thanks

Cary

EPA requests the Contractor provide enforcement support in the form of the following tasks:

1. The Contractor shall mail, via FedEx, a Special Notice Letter package to each of the entities below, via next-day business delivery. EPA will hand-deliver the packages to the Contractor for mailing. Although these names are different, the Registered Agent and the mailing address is the same. Each letter should be mailed in a separate FedEx package.

- a LDL Management LLC
- b LDL Coastal Limited, L.P

2. The Contractor shall track the receipt of the two letters/packages above and provide an electronic copy of delivery/receipt confirmation to EPA no later than COB July 29, 2004.

Thank you for your continued support of EPA's enforcement activities. Please contact me via email or by phone if you have questions concerning this request.
